

A Vintage Mass Market Export Edition

On Sale March 6, 2008

The long awaited and astonishing first novel from the heralded author of *For the Relief of Unbearable Urges*.

FIRST TIME IN PAPERBACK

From its unforgettable opening scene in the darkness of a forgotten cemetery in Buenos Aires, *The Ministry of Special Cases* casts a powerful spell. In the heart of Argentina's Dirty War, Kaddish Poznan struggles with a son who won't accept him; strives for a wife who forever saves him; and spends his nights protecting the good name of a community that denies his existence--and denies a checkered history that only Kaddish holds dear. When the nightmare of the disappeared children brings the Poznan family to its knees, they are thrust into the unyielding corridors of the Ministry of Special Cases, the refuge of last resort.

Nathan Englander's first novel is a timeless story of fathers and sons. In a world turned upside down, where the past and the future, the nature of truth itself, all take shape according to a corrupt government's whims, one man--one spectacularly hopeless man--fights to overcome his history and his name, and, if for only once in his life, to put things right. Here again are all the marvelous qualities for which Englander's first book was immediately beloved: his exuberant wit and invention, his cosmic sense of the absurd, his genius for balancing joyfulness and despair. Through the devastation of a single family, Englander captures, indelibly, the grief of a nation. The Ministry of Special Cases, like Englander's stories before it, is a celebration of our humanity, in all its weakness, and--despite that--hope.

A tour de force of great emotional and narrative power.

Praise for the hardcover of *The Ministry of Special Cases*:

"The fate of Argentina's Jews during the 1976-83 "Dirty War" is depicted with blistering emotional intensity in this stark first novel... Englander's story collection promised a brilliant future, and that promise is here fulfilled beyond all expectations."

—Kirkus Reviews (starred review)

"This is a staggeringly mature work, gracefully and knowledgeably set in a milieu far from the author's native New York. . . . Four p's best describe this work: poignant, powerful, political, and yet personal."

—Booklist (starred review)

"Englander writes with increasing power and authority . . . Gogol, I. B. Singer and Orwell all come to mind, but Englander's book is unique in its layering of Jewish tradition and totalitarian obliteration."

—Publishers Weekly
