

## LINDA FAIRSTEIN'S *NEW YORK TIMES* HARDCOVER BESTSELLER WILL NOW BE AVAILABLE IN PAPERBACK!

In **KILLER HEAT**, Assistant District Attorney Alex Cooper confronts a serial killer whose deadly exploits lead her through the little-known islands surrounding Manhattan. It's August in the city and just as she's claiming victory in a rape trial, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the beating is disturbing enough, but when a second body is found off the Belt Parkway, the city's top brass want the killer found fast, before the tabloids can start churning out ghoulish headlines.

Once again Linda Fairstein brilliantly orchestrates a mix of cutting-edge legal issues, New York City history, and spine-tingling suspense. And at the center of it all is Alex Cooper—stunning, single-minded, accomplished, and not to be trifled with, in or out of the courtroom.

New York Times bestselling author LINDA FAIRSTEIN is one of America's foremost legal experts on crimes of sexual assault and domestic violence. Her first novel, *Final Jeopardy*, which introduced the character Alexandra Cooper, was published in 1996 to critical and commercial acclaim.
