

From Chuck Palahniuk, the master of literary mayhem and provocation, a novel that goes where no American work of fiction has gone before.

"Mr. Palahniuk doesn't write for tourists. He writes for hard-core devotees drawn to the wild, angry imagination on display and the taboo-busting humor."

—*The New York Times*

"CHUCK PALAHNIUK is the likeliest inheritor of Vonnegut's place in American writing."

—*San Francisco Chronicle Book Review*

Cassie Wright, porn priestess, intends to cap her legendary career by breaking the world record for serial fornication. On camera. With six hundred men. Snuff unfolds from the perspectives of Mr. 72, Mr. 137, and Mr. 600, who await their turn on camera in a very crowded green room. This wild, lethally funny, and thoroughly researched novel brings the huge yet under acknowledged presence of pornography in contemporary life into the realm of literary fiction at last. Who else but Chuck Palahniuk would dare do such a thing? Who else could do it so well, so unflinchingly, and with such an incendiary (you might say) climax?

For more information about CHUCK PALAHNIUK and all his bestselling titles, visit: <http://www.CHUCKPALAHNIUK.com/>

Chuck Palahniuk's previous novels are the bestselling *Rant*, *Haunted*, *Lullaby*, *Diary*, *Choke*—which was made into a 2008 film by director Clark Gregg, starring Sam Rockwell and Anjelica Huston—*Survivor*, *Invisible Monsters*, and *Fight Club*, which was made into a film by director David Fincher. He is also the author of the nonfiction profile of Portland, Oregon, *Fugitives and Refugees*, published as part of the Crown Journeys series, and the nonfiction collection *Stranger Than Fiction*.
