Jonathan Kellerman's blockbuster *New York Times* hardcover bestseller is now available in paperback!

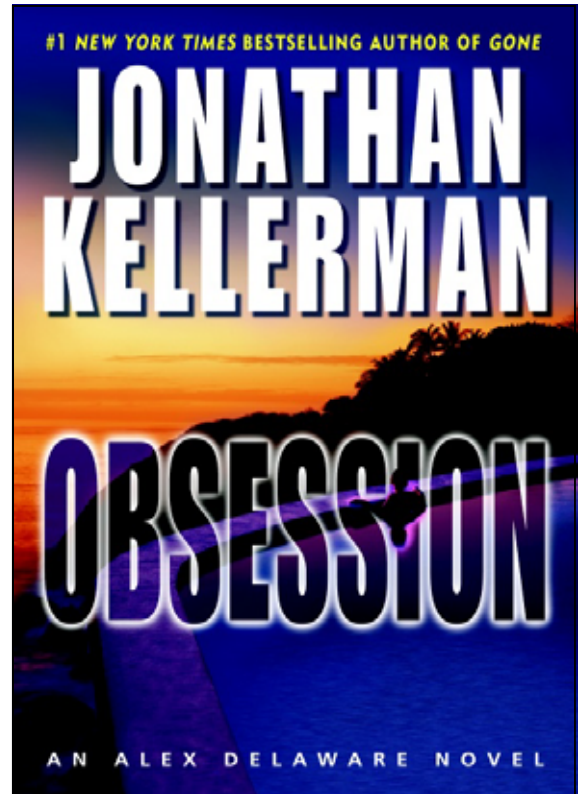

With millions of books in print, translated into two dozen languages, and one of the most popular heroes in contemporary fiction to his name, #1 *New York Times* bestselling author Jonathan Kellerman is the unequivocal "master of the psychological thriller" (*People*). In *Obsession*, Kellerman delivers a tour de force—poignant, dark, and chilling—that illuminates a shadowy world where impulse rules.

Patty Bigelow a selfless E.R. nurse struggles to raise her sister's child on her own, but Tanya proves an unexpected handful. Bewildered, Patty enlists the aid of child psychologist Alex Delaware.

Fifteen years later, Tanya is a capable young woman mourning the loss of her aunt. She's baffled by Patty's last words, a deathbed confession of murder: "One of the people who lived near us. You got to make it right." Skeptical at first, but increasingly troubled, Tanya once again seeks out Alex Delaware, and with the help of Detective Milo Sturgis, they search the past for clues to a crime that may or may not be real -- a crime that seems to have ignited deadly repercussions in the present.

Dramatic, action-packed, and filled with the psychological detail that only Jonathan Kellerman can provide, *Obsession* is a whodunit, a why-dunit—and something unique: a did-it-even-happen?

This is Kellerman at his heart-racing best.
