#1 BESTSELLING INHERITANCE CYCLE

RECORD BREAKING HARDCOVER FIRST PRINTING—2.5 MILLION COPIES

Eagerly awaited by millions around the world, the latest installment of Christopher Paolini's Inheritance Cycle *New York Times* bestselling hardcover, *Brisingr*, is now available for the first time in mass market paperback. With millions of copies of ERAGON and ELDEST sold, Book III continues to build on that success and soar to record-breaking heights of its own!

OATHS SWORN...loyalties tested...forces collide.

Following the colossal battle against the Empire's warriors on the Burning Plains, Eragon and his dragon, Saphira, have narrowly escaped with their lives. Still there is more at hand for the Rider and his dragon, as Eragon finds himself bound by a tangle of promises he may not be able to keep.

First is Eragon's oath to his cousin Roran: to help rescue Roran's beloved, Katrina, from King Galbatorix's clutches. But Eragon owes his loyalty to others, too. The Varden are in desperate need of his talents and strength—as are the elves and dwarves. When unrest claims the rebels and danger strikes from every corner, Eragon must make choices—choices that take him across the Empire and beyond, choices that may lead to unimagined sacrifice. Eragon is the greatest hope to rid the land of tyranny. Can this once-simple farm boy unite the rebel forces and defeat the king?

ERAGON, ELDEST, AND BRISINGR became instant #1 *New York Times* bestsellers and soared to the top of every other international list. Christopher Paolini's books have been published in 50 countries and have sold over 12.5 million copies worldwide.
