**PLAYING FOR PIZZA** is a short novel about a fallen American football star who can no longer get work in the National Football League and whose agent, as a last resort, signs a deal for him to play for the Parma Panthers, in Parma, Italy. The player's move to a small European city leads to a series of cultural misadventures.

The idea for the novel grew out of time Grisham spent in Italy researching his last novel, *The Broker*, which was set in Bologna.

John Grisham is the author of eighteen bestselling novels and the recent #1 *New York Times* bestselling work of nonfiction *The Innocent Man*. Doubleday will publish his next legal thriller in Spring 2008.
