**Praise for Lee Child's NOTHING TO LOSE:**

"Explosive and nearly impossible to put down." —*People*

"Until Reacher runs low on grit, make-my-day wisecracks and loner mystique, he will be one of the most enduring action heroes on the American landscape." — *The New York Times*

"With his powerful sense of justice, dogged determination and the physical and mental skills to overcome what to most would be overwhelming odds, Jack Reacher makes an irresistible modern knight-errant." — *Publishers Weekly*

"Reacher lets us experience what it would be like, just once, to slap every last one of the fools aligned against us upside the head and then, pausing only to pack our toothbrush, hit the highway."  
— *Booklist*, starred review

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead.
