FAT: An Appreciation of a Misunderstood Ingredient, with Recipes

by Jennifer McLagan
and published by our newest imprint
Ten Speed Press,
was named
Cookbook of the Year by the James Beard Foundation
at their 2009 awards ceremony.

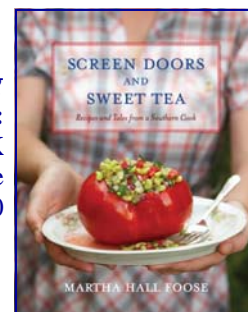

FAT was also recognized with a Beard award in the Single Subject Category—an honor it also received at the International Association of Culinary Professionals (IACP) 2009 Cookbook Awards.

The James Beard Foundation Awards is the nation's most prestigious recognition program honoring professionals for excellence and achievement in the food and beverage industries.

FAT features more than 100 sweet and savory recipes using butter and fat, with sidebars on cultural, historical, and scientific facets of culinary fats. The book is a unique exploration of the delicious glories of cooking with and enjoying high-quality fats.

Two other Crown Publishing Group titles were also recognized by the Beard Foundation with awards.
