### Jump into Science: Sand

by Ellen J. Prager

978-0-7922-5583-3 | \$6.95  
110 Carton Quantity | TR  
32 COLOR ILLUSTRATIONS  
10-3/4 x 8-7/8  
978-0-7922-8202-0 | \$16.95  
32 Pages | 20 Carton Quantity | HC

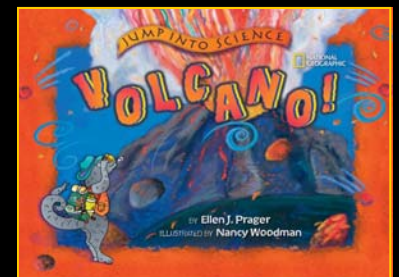

What is sand? How is it formed?  
Where does sand come from?

How does it get to the beach? Why is it different colors? Let the sandpiper sleuth show you the answers to these questions in this lively, collage-style look at a familiar substance that's never been so fascinating: sand.

"A striking success...an outstanding choice...a fascinating, lively presentation." —*School Library Journal*

### Jump Into Science: Volcano!

by Ellen J. Prager

by 978-1-4263-0091-2 | \$6.95  
108 Carton Quantity | TR  
32 COLOR ILLUSTRATIONS  
10-3/4 x 8-7/8

Kids love learning about volcanoes | and this

book stands apart from the rest by bringing the subject matter down to an early elementary school level and including both an animal character guide and a hands-on experiment to fully engage readers.
